### About Tyler Arboretum

Tyler is one of the oldest and largest arboreta in the northeastern United States. Visitors can explore 650 acres of renowned plant collections, distinguished examples of ancient trees and rare specimens, historic buildings, unique ecosystems and extensive hiking trails.

The Arboretum offers a wide variety of workshops, community events, classes, tours, nature-themed summer camps and members only educational opportunities and events.

As a private, not-for-profit organization, Tyler Arboretum is dependent on the support of our members, donors and volunteers.

Tyler is truly a sanctuary of natural beauty, preserving open spaces, woodlands, wetlands, meadows and gardens for generations to come.

**Mission:** *To preserve, develop and share our diverse horticultural, historic and natural site resources in order to stimulate stewardship and an understanding of our living world.*

As a volunteer at Tyler Arboretum, you'll have many opportunities to *share your talents, explore new areas* and *connect with people* of all ages, abilities and backgrounds.

## Engage and connect

*We are always on the lookout for dynamic and inquisitive people who want to be a part of the Tyler team.*

### ✓ *Does this describe you?*

- I love working outdoors and do not mind the elements.
- I love working with people at large events.
- I love working with my hands and mechanical tools.
- I love creating things that people will use. I see potential in materials around me.
- I love order and organizing. I like putting packets together, filing, putting things away and tidying.

If you answered "Yes" to any of these, we need you! Join our community of dedicated volunteers.

## Volunteering at a Glance

- Volunteer opportunities are available year-round, both weekdays and weekends, on-site as well as at home, in a variety of areas
- Most volunteer shifts are 4 hours long
- Tyler offers a flexible schedule, ranging from shifts once a week to once a month
- A minimum of 16 hours per year is required to stay in active status
- Our volunteers range in age from 14 to 80+
- You don't need to have a green thumb or an ecology background
- You'll receive training specific to your assignment
- You'll receive benefits like discounts in the gift shop and enrichment programs
- *You will need an email address and a way to check it regularly*
